

# WOODROCK ANIMAL RESCUE

ActaNonVerba NPO (103-156)

## WOODROCK WARRIORS MEAN THE WORLD TO US

We are refreshing and regrouping the warrior look and feel. In life we all have great intentions and at times the execution doesn't fit. We are eternally grateful for Warriors that invest effort in the project. There are many ways of committing to being a warrior, other than driving to the farm in Hennops River Valley. "A Warrior does not give up what he loves. He finds the love in what he does" Dan Millman. We are so blessed and honoured to have a dedicated passionate group of humans who are committed to the cause. A cause to make a difference in the lives of the homeless animals at Woodrock. Thank you for choosing Woodrock Animal Rescue as your charity of choice. Thanks so much to each one that takes the time to drive through, to give selflessly of yourselves. Warriors have a very important role to play in the rehabilitation programme at Woodrock Animal Rescue. Your patience and compassion is a gift, which our animals are especially blessed to receive by having you in their lives.
