Thank you for completing this application form and for your interest in helping us with home checks. To be a home-checker you need to have an open mind. We all have varying standards as to what constitutes "the perfect home". Not every home suits every dog and not every dog suits every home. Woodrock appreciate and value your service and will endeavor to keep you, the home-checker in the loop as to progress of the adoptions for the home checks which you conducted. At no time are you to express absolute acceptance or rejection of the home being checked to the potential adopter, without the prior authorization of the Home Checking Board.

We are the voice for the voiceless.
